

PAMOM 2010 SCHOOL SUPPLY DRIVE

PAMOM is excited about the opportunity to partner with Assistance Center of Collin County (ACCC) for a school supply drive. This year, ACCC's school supply drive will benefit approximately 2,000 PISD students whose family needs have been qualified by ACCC.

The Assistance Center serves Collin County as the primary contact point for all residents who need social services. They respond to the emergency needs of Collin County residents and assist them to find social services they need to resolve a crisis.

Services provided by ACCC include providing emergency shelter, clothing, food, and access to medicine and medical services for county residents.

It is our hope that this project will truly make a difference in the community, and the goal is to provide these kids with the basic tools for a successful start to the new school year.

PAMOM will be collecting school supplies donations at the July, August & September General Meetings.

Backpack (*these are in great demand)
